Dear 810 Local Members and UWM&M Pension Participants,

I write to you today with great news, thanks to a law passed by a true friend of the Teamsters, including our very own **Senator Chuck Schumer**, I am excited to share the great news that our **United Wire, Metal & Machine Pension Fund** will receive a massive **\$248M investment** from the Pension Benefit Guaranty Corporation.

With this welcome infusion **our pension fund will remain healthy and solvent**, serving our brothers and sisters who are members of the United Wire, Metal and Machine Pension Plan for years to come and allowing them to receive the full amounts they have earned over the years. As you may have heard, Senator Schumer has delivered over \$3 Billion dollars to save at-risk New York Teamster pension funds via the Pension Benefit Guaranty Corporation, and we are very thankful for his commitment to our members.

In Solidarity,

A handwritten signature in black ink, appearing to read "Mike Smith", written over a large, stylized, scribbled-out mark.

Mike Smith
President/Principal Officer – Local 810
Chairman – UWM&M Pension Fund
